

Bulletin #24 – April 4, 2017

Application Changes

Based on feedback from the thousands of agents that use the Ohio FAIR Plan (OFP), some improvements have been made to OFP's applications.

Among the changes are:

- Photos are no longer required.
- Language confirming a binder is optional has been added.
- Questions clarifying the statutory requirements regarding OFP have been added.
- Questions about the property's systems have been removed.
- Homeowners liability coverage may be increased to \$300,000.
- Clarified that the applicant is providing permission for an inspection.

These changes have been deployed and will be in effect for your next application.
